

LOST DOG REPORT

If you have lost your pet, please fill out this form and e-mail it to us at manager@furrypets.com. We will only hold lost pet reports for 2 months. After that they will be discarded. If you would like us to keep this report please contact the shelter at **715-546-3459** and we will keep it for a little while longer.

Advertising in the paper, checking with local vet clinics, and posting flyers with your pet's picture will help to ensure the best chance of reuniting with your pet.
